

COLLECTIVE CARE: HEALING OUR COMMUNITIES, HEALING OUR PLANET

DATE: November 13-14, 2026

VENUE: Waukesha County Technical College; Pewaukee, WI

AUDIENCE: 130 + attendees, over 21,200 social media impressions/month, with additional email and web viewers

CONFERENCE OVERVIEW:

Hosted by Healthy Climate Wisconsin, this event will bring together multidisciplinary health professionals, nonprofits, and students to learn about environmental-social determinants of health in Wisconsin and solutions that will improve community health and patient care. Continuing education credits will be provided for clinicians, nurses, physician assistants, pharmacists, psychologists, physical therapists, social workers, and dietitians.
